Costume Info: Your dancers need to wear their costume for pictures, dress rehearsal and recital. Please keep your costume(s) safe! Do not play or eat in your costume. Do not wash or iron your costume. To fluff tutus, you may hang your costume upside down in the bathroom while you shower (the warm steam will help reduce wrinkles). Do not hang in the shower or where it could get wet.

Backstage Helpers are prepared to assist with costume changes. We suggest that you organize and label costumes and shoes.

Recital Pointers!

Recitals begin at 1:00 and 4:00. Doors will open at 12:30 and 3:30. Younger dancers need to be in their dressing rooms (located off the side hallway in the band or orchestra room) **at 12:45 but no earlier than 12:30; and 3:45 but no earlier than 3:30** respectfully. Do come prepared to dance! Have your costume, tights, and shoes on. Hair needs to be pulled into a slick bun (no bangs or flyaways) and stage make-up needs to be applied. Make-up should consist of eye shadow in neutral tones; black or brown mascara for eyes; and rosy colored cheeks and lips. Parents of young dancers, please use your judgement for your little ones. If you think they will just rub away at their eyes, do not worry about eyeliner or mascara. Dancers are not to wear any colored nail polish; jewelry; nor underwear under their tights. **Nothing except water is allowed backstage or in the dressing rooms. There is no food or drink allowed in the auditorium.**

- Do have something for your dancer to do while they wait backstage to perform (label all the items). Please do not pop in and out of the dressing rooms unnecessarily. It is very hard on the dancers (especially the younger ones) if you leave, and they can't come with you. Dancers are expected to wait backstage so they may participate in the finale. We have some very reliable and awesome Backstage Helpers; your child is safe with them. If you want to be in the room with them for the entire show, please feel free to do so. The dressing rooms are located off the hallway to the side of the auditorium.
- It is going to be a long couple days, so please feed your child and make sure they get plenty of rest prior to the show.

Audience:

Be a kind and respectful audience! Cheer for every dance and don't disrupt others by talking. Enter and exit only between dances. No flash photography (it is very disrupting to the performers) and silence your devices. Do not use the side door to the auditorium, unless needed for physical accessibility.

Once the show is done you may come up to the stage to gather your dancer(s)! This is a great time to get pictures of them on stage, give them their flowers, etc. We will sell small flower bouquets in the lobby prior to the show. **All dancers will participate in the finale. After the finale, come up to the stage to where your child will be sitting and waiting for you.**

Picture Week Schedule: May 22-25:

Dancers need to come to the studio on their assigned day at their assigned time in full costumes (including tights and shoes) with hair pulled back into a bun (just like recital)- stage make-up is not required...Parents, please do not plan on waiting inside the lobby/studio during pictures. It only adds to the chaos 😊
Dancers will run their dance after their pictures are complete...We will do our best to remain on schedule...
